

Aguas Fresca's

"Aguas Fresca's" Spanish meaning "Cool Waters" are a combination of fruits, cereals, flowers, or seeds blended with sugar and water to make a light and refreshing non-alcoholic beverage. Borracha style is when mixed with a generous serving of rum or tequila.

Northwest Naturals formulation is using a combination of stated fruits with pulp and Pineapple Syrup for sweetness. Formulas are to be combination of one or two fruits with herbal or floral notes.

Aguas Fresca's are light and refreshing for those hot summer days. For added sensory delight serve with carbonated water.
