

SAFETY DATA STATEMENT

All Northwest Naturals products are considered “food.” We are not aware of any chemicals present in our products that may be hazardous to your health. Since the products are considered to be “food,” they are exempt from OSHA 29 CFR 1910 (revised July 1, 1985) and do not require a Material Safety Data Sheet or the updated Safety Data Sheet.

The above information is believed to be correct, but does not purport to be all-inclusive and shall be used only as a guide.
